

When Partnering with Your Medical Doctor Is Difficult: The Present Day Dilemma in Getting Proper Medical Care

By James M Lowrance

Createspace, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The health care - medical professional s field is among the most important callings on earth but doctors and medical workers have very difficult and very stressful jobs. There has also arisen an unmistakable doctor-shortage in many areas of America. This has increased the workload of medical staff and professionals and some of them are experiencing a condition referred to by medical research groups, as burn out. Doctors can be seriously affected both mentally and physically by this very real and increasing problem. At the same time, medical patients can also be negatively affected, in-fact medical errors are the third leading cause of death in the US currently and the problem has potential to become even worse. Is there a solution to this problem? As a layperson, non medical professional, I certainly cannot predict either a solution or a worsening of the problem. As a patient with diagnosed medical disorders, I can however express what I believe to be essential actions from both the patient s and doctor s side, that must be taken in order to help...
