*This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

WHAT IT WILL BE LIKE TO DIE LOST

Createspace, United States, 2013. Paperback. Book Condition: New. Large Print. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The first part of this book talks about the very grim subject of what it will be like to die lost. The first, called hades, is condemnation of the soul. The souls of people that have already died and were lost are there RIGHT NOW. The souls of people that will die lost will soon go there. Hades is not a very nice place. In fact, it is a horrible place to be even for a little while. But as bad as hades may be, gehenna will be much worse. In that second place of condemnation, the body and soul will have been reunited. Both will suffer never ending punishment and torment on an even grander scale. People sometimes joke about dying lost. But no one in either hades or gehenna will be joking. For the person that dies lost, their eternal existence in gehenna will be total darkness, total terror, absolute torment, total loneliness, never seeing another thing, and without any comfort from the Lord. It is the worst possible ending to any human life. Jesus made it very clear that human beings were never meant to go there. But the sad truth is that many already have gone to hades en route to gehenna and many more will in the future. Hopefully, as people read this book, it will raise the awareness of some about the horribleness of dying lost. In the second part of this book, five of the faulty views that people have about hades...
