

Wipe-clean Dot-to-dot Dinosaurs : Practise pen control

By Felicity Brooks

Usborne Publishing. sonst. Bücher. Condition: Neu. Neuware - Little children need to practice pen control, and this book provides plenty of opportunities for that - they can complete the dot-to-dot puzzles as many times as they like using the special wipe-clean pen provided. All puzzles contain ten dots or less, so children will also be reinforcing number sequencing as they watch the dinosaurs emerge. Part of the hugely successful Usborne Wipe-clean series, offering little children fun ways in which to practice their pen control as they get ready for writing. A great way to reinforce number sequencing skills, as all the dot-to-dot puzzles included in this book require children to follow the numbers one to ten. Also in this series: Things that go, Animals, Farm and Pirates. 20 pp. Englisch.
