From the Award-Winning Author of the Sector 64 Series! The Martian meets I Am Legend and Gravity when Earth's last man discovers that the last woman is stranded alone aboard the International Space Station. If you like action-packed, page-turning novels, you'll love the electrifying action in this apocalyptic thriller. Separated by the gulf of space, the last man and woman of the human race struggle against astronomical odds to survive and unite. Army Aviator Vaughn Singleton is a highly intelligent, lazy man. After a last-ditch effort to reignite his failing military career ends horribly, Vaughn becomes the only human left on Earth. Stranded alone on the International Space Station, Commander Angela Brown watches an odd wave of light sweep across the planet. Over the next weeks and then months, Angela struggles to contact someone on the surface, but as she fights to survive aboard a deteriorating space station, the commander glimpses the dark underpinnings of humanity's demise. After months alone, Vaughn discovers there is another. Racing against time, he must cross a land ravaged by the consequences of humankind's sudden departure. Can Vaughn...

#### Reviews

*This is the best book I have read until now. It can be filled with knowledge and wisdom. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
