

The Mailroom: Hollywood History from the Bottom Up (Paperback)

By David Rensin

Ballantine Books, 2004. Paperback. Condition: New. Reprint. Language: English . Brand New Book. It is like a plot from a Hollywood potboiler: start out in the mailroom, end up a mogul. But for many, it happens to be true. Some of the biggest names in entertainment—including David Geffen, Barry Diller, and Michael Ovitz—started their dazzling careers in the lowly mailroom. Based on more than two hundred interviews, David Rensin unfolds the never-before-told history of an American institution—in the voices of the people who lived it. Through nearly seven decades of glamour and humiliation, lousy pay and incredible perks, killer egos and a kill-or-be-killed ethos, you'll go where the trainees go, learn what they must do to get ahead, and hear the best insider stories from the Hollywood everyone knows about but no one really knows. A vibrant tapestry of dreams, desire, and exploitation, *The Mailroom* is not only an engrossing read but a crash course, taught by the experts, on how to succeed in Hollywood.

Reviews

This pdf will not be straightforward to get started on studying but really exciting to read. It absolutely was written really perfectly and useful. I am just very happy to tell you that this is basically the finest publication I actually have studied during my personal daily life and may be the finest ebook for ever.

-- Miss Lavonne Grady II

The ideal ebook I possibly go through. It generally does not cost an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Vincenza Hand
