Lulu.com, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Huntington s Disease is a progressive, life stripping, hereditary disease with no cure. This Love Story illustrates how a marriage and a family can live, survive and thrive with an illness. Humor, frustration, and sadness are experienced by the reader. True Love prevails as this disease bruises and batters a family s spirit. Incurable love and intimacy are two gifts discovered during this illness. This book speaks to at least four communities, those affected by Huntington s Disease or any chronic, progressive or terminal illness; the spiritual community, those who find strength through faith in the most trying moments; the therapeutic community, those who treat individuals, couples and families affected by illness; and the medical community, those who treat the patient, their caregivers or other family members of the illness.
