Industrial Press Inc.,U.S., United States, 2000. Paperback. Condition: New. New edition. Language: Spanish . Brand New Book. Blueprint Reading Basics has been a popular textbook in the academic and industrial world for many years. And now the new Spanish-language edition, Como Leer Dibujos Industriales , is sure to be just as relied on by Spanish-speaking students and apprentices who need to learn how to interpret and read blueprints that are in English. Containing the first six chapters of the English-language edition, it includes tolerances and provides a practical training program for reading industrial prints. Como Leer Dibujos Industriales can be used alone or as a companion to the English-language edition. It contains the following sections in Spanish: preface, text and captions, review questions and answers. Written in the same non-technical and easy-to-read style as the English-language edition, it includes numerous worksheets with English and Spanish instructions or only Spanish instructions. Special skills such as drafting techniques and freehand drawing are not required.
