Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Isaac Olson)

Random House UK. Taschenbuch. Condition: Neu. Neuware - Jack Reacher takes an aimless stroll past a pawn shop in a small Midwestern town. In the window he sees a West Point class ring from 2005. It's tiny. It's a woman cadet's graduation present to herself. Why would she give it up Reacher's a West Pointer too, and he knows what she went through to get it. Reacher tracks the ring back to its owner, step by step, down a criminal trail leading west. Like Big Foot come out of the forest, he arrives in the deserted wilds of Wyoming. All he wants is to find the woman. If she's OK, he'll walk away. If she's not . he'll stop at nothing. He's still shaken by the recent horrors of Make Me, and now The Midnight Line sees him set on a raw and elemental quest for simple justice. Best advice: don't get in his way. 496 pp. Englisch.
