CHAPTER XXV RELATIONS WITH THE GOVERNMENT TO understand the Mexican concession one must put out of mind assumptions based upon the English system of law. Mexican law is Spanish in origin, and Spanish legal institutions are an inheritance from ancient Rome. In the United States when the public authority grants a charter for the construction and operation of a railroad over private land to be condemned for the purpose, it neither acquired nor retains any proprietary interest in the easement. In Mexico a railroad concessionnaire receives what is in effect a lease, for a definite term of years, of the line which he proposes to build, largely or wholly out of private funds; and the public authority in the end automatically assumes proprietorship over all fixed properties and an option upon those of a moveable nature. One analogy in the English law is...
