## THE WILDERNESS COMPANION STUDY GUIDE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Is Your Life Falling Apart All Around You? Are You Helpless to Stop It? You May have Just Entered The Wilderness. It is a time like no other in your life. Every comfort is stripped away. Everything is outside of your control. Nothing is as it was. You just want your life back. If these things describe your life, you may have entered the wilderness. This workbook is a study guide to help anyone who wants a closer walk with the Lord, and a better understanding of the hard times in their lives as well as those going through wilderness seasons of their own. It will help you examine what is really in your heart, to discover your purpose in God s Kingdom, and look at reasons God s people are often led into the wilderness to be refined. With questions...
