

The Transmutation of Bacteria (Classic Reprint)

By Samuel Gurney-Dixon

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Transmutation of Bacteria This essay is based upon notes and observations which I collected previous to the year 1913. It was only partly written when, in August 1914, I proceeded on active service. I was able, however, to complete it in the following summer while serving with a Field Ambulance in France, and in the autumn of the same year (1915) I submitted it in the form of a Dissertation for the degree of M.D. at the University of Cambridge. The difficulties in carrying out work of this character while serving at the Front - remote from libraries and amidst alarms and excursions which break up ones scanty leisure - are sufficiently obvious and I trust may excuse some of its defects. Some valuable materials which I had hoped to utilise, including chapters on Viability and Agglutination Reactions, were buried by a shell explosion and could not be replaced. The claims of Army work have also precluded any attempt on ray part to bring the work up to date by reference to papers published...

Reviews

Undoubtedly, this is actually the very best job by any writer. It is loaded with wisdom and knowledge You will not really feel monotony at anytime of your respective time (that's what catalogs are for concerning when you check with me).

-- Prof. Lawson Stokes IV

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
