GEOSTATISTICAL INTERPOLATION OF PRECIPITATION IN TURKEY

Geostatistical Interpolation of Precipitation in Turkey

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Spatial interpolation of precipitation is an indispensable part of climatological studies. Therefore, a number of spatial interpolation techniques ranging from simple to the complex have been proposed predicting precipitation variables. In this book, the spatial pattern of Turkey's annual mean total precipitation was assessed using global and local interpolation techniques and tried to understand which one better reflected the spatial pattern of precipitation variable. | Format: Paperback | Language/Sprache: english | 340...
