## A CONNECTICUT YANKEE IN KING ARTHURS COURT (MARK TWAIN)

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 174 pages. Dimensions: 11.0in. x 8.5in. x 0.4in. A Connecticut Yankee in King Arthurs Court by Mark twain (Samuel L. Clemens). A Connecticut Yankee in King Arthurs Court is an 1889 novel by American humorist and writer Mark Twain. The book was originally titled A Yankee in King Arthurs Court. Some early editions are titled A Yankee at the Court of King Arthur. The novel is a comedy that sees 6th-Century England and its medieval culture through Hank Morgans view; he is a 19th-century resident of Hartford, Connecticut, who, after a blow to the head, awakens to find himself inexplicably transported back in time to early medieval England where he meets King Arthur himself. The fictional Mr. Morgan, who had an image of that time that had been colored over the years by romantic myths, takes on the task of analyzing the problems and sharing his knowledge from 1300 years in the future to modernize, Americanize, and improve the lives of the people. In addition, many passages are quoted directly from Sir Thomas Malorys Le Morte dArthur, a medieval Arthurian collection of legends and one of the earlier sources. The narrator who finds the Yankee in the modern times of Twains nineteenth century is reading the book in the museum in which they both meet; later, characters in the story retell parts of it in Malorys original language. A chapter on medieval hermits also draws from the work of William Edward Hartpole Lecky. This item ships from La Vergne, TN. Paperback.
