Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the New York Times USA Today bestselling author of TAPPING THE BILLIONAIRE comes a new three book series of Romantic Comedy standalones. It's just a docuseries about your career as an OB/GYN, they said. It won't interrupt your life during or after filming, they said. It is a great opportunity for the hospital and your practice, they said. Well, they-the television executives who seem intent on ruining my career and personal life with a fair number of creative liberties-lied. Now I'm stuck dealing with the consequences of believing them. Instead of being known as Dr. Will Cummings, Head of Obstetrics and Gynecology at St. Luke's Hospital, I'm now being called Dr. Obscene. What devotion I'd hoped to earn in respect, I've instead received in patients flashing me seductive smiles and flirtatious winks during their exams. How's a guy supposed to convince the most perfect woman he's ever met that he's not as much of an idiot in real life as he appears to be on camera? With all of the show's side effects taking root like parasites, it's going to take a lot to persuade Melody Marco to be anything more than my new nurse. But I can't get her out of my head. I want her. Good thing I've never been one to back away from a challenge. Get ready, Melody. The doctor is in.
