Reviews

Totally among the best ebook I have ever go through. It can be rally exciting throgh looking at period. Its been printed in an extremely straightforward way which is just soon after i finished reading this pdf by which actually transformed me, change the way i believe.
(Mr. Mervin Walsh)

ORCHIDUS ACADEMY

Beaver Tales. Paperback. Book Condition: New. Paperback. 168 pages. Dimensions: 10.8in. x 7.8in. x 0.8in. Penny Pariculus is freckly, lonely, bullied, and miserable. However, she is pretty good at drawing, and when one of her drawings accidentally gains her admission into the Orchidus Academy for Immensely Intelligent Orphans, she believes she has left her troubled world behind. She couldn't be more wrong. . . Penny is suddenly surrounded by geniuses, strange teachers in jeweled turbans, hybrid animals, magic carpets, a power-hungry principal, and a bedroom in the middle of the rainforest! She even meets some people as awkward as herself. But the wonder is short-lived, as Pennys life is actually in danger. A sinister plot by someone within the Academy forces Penny and her friends to try and find out why people around them have been disappearing one by one. Penny must learn to navigate the impossible fortress of Orchidus Academy, fly to class on a trampoline, and stop an evil plot that threatens the lives of her classmates, all while finishing her math homework on time. Orchidus Academy is the first of a two-part series by Canadian writer H. Norsen, which takes young readers (ideal for ages 8-13) through the trials of school, the awkwardness of trying to fit in, the frustration of struggling with body image in a looks-centric world, and the excitement of an adventure around the globe. The novels sequel, Orpheon, will be available in early 2015. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
