Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which in fact modified me, altered the way in my opinion.

Skyhorse Publishing, United States, 2014. Paperback. Book Condition: New. Reprint. 226 x 152 mm. Language: English . Brand New Book. In enemy airspace, high above the treetops of North Vietnam, two US F-4 Phantom jet fighters have downed their fifth enemy plane, thus securing their new status as Aces. The skies are finally quiet, and the safety of the ocean is just ahead. But in that brief moment of victory, they are blindsided by a surface-to-air missile. Bill Willy Driscoll, one of the most highly decorated Naval Flight Officers of the last fifty years, demonstrates how his TOPGUN training prepared him for both life-or-death aerial dogfights and the demands of difficult business decisions. His remarkable military experiences, his 26-year award-winning career in the highly competitive Southern California commercial real estate market, and personal interviews with twenty-six other Ace pilots and over 200 business executives serve as a blueprint for achieving extraordinary results under the most difficult circumstances organizations face each day. Topics include preparation, risk assessment, team building, focus and listening, self-evaluation and improvement, avoiding pitfalls, and much more. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more.
