Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in a remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.

Not illustrated. 1904 Excerpt: .the former by a long interval in the order of immigration and brought with him a greatly improved type of civilization evolved in the country of his origin. The reader will be naturally disposed to anticipate that the geographical distribution of the dolmens and the barrows furnishes some aid in solving this problem. But though the exceptional number found on the coasts opposite to Korea tends to support the theory that the stream of Mongoloid immigration came chiefly from the Korean Peninsula via the island of Tsushima, there is not any local differentiation of one kind of sepulture from the other, and, for the rest, the grouping of the dolmens supplies no information except that their builders occupied the tract of country from the shores opposite Korea on the west to Musashi and the south of Shimotsuke on the east, and did not penetrate to the extreme northeast or to the regions of mountain and forest in the interior. Here another point suggests itself. If the fashion of the Japanese dolmen was introduced from abroad, evidences of its prototype should survive on the adjacent continent of Asia. If the numerous dolmens found on the coasts of Kiushiu and Isumo facing Korea are to be taken as indications that their constructors emigrated originally from the Korean Peninsula, then Korea also should contain similar dolmens, and if an ethnological connection existed between Japan and China in prehistoric days, China, too, should have dolmens. But no dolmens have hitherto...
