ANCIENTS

St Martin s Press, United States, 2009. Paperback. Book Condition: New. Reissue. 170 x 86 mm. Language: English . Brand New Book. Ten thousand years before the Roman Empire marched great legions across the known world, there was a civilization dedicated to the sciences of earth, sea, and sky. In the City of Light lived people who made dark plans to lay waste to their uncivilized neighbours using the very power of the planet itself. As the great science of their time was brought to bear on the invading hordes, hell was set loose on Earth. And the civilization of Atlantis disappeared in a suicidal storm of fire and water. Now history threatens to repeat itself. The great weapon of the Ancients has been uncovered in the South Pacific, and it is being deciphered by men of hatred - by an evil once thought banished from history. Again, the black swastika of hate is rising. Their plan is to attempt to control and direct the most destructive force this world has yet to see, a weapon that would make nuclear arms pale in comparison. The world starts to tremble under the power of the ancient science. The seas rise, the earth cracks, and entire cities crumble to dust as the evil plan mapped out thousands of years before takes shape.
