What readers are saying about Mind Surfing: A wonderful adventure that stimulates the mind and soul.I could not put Mind Surfing down as one chapter leaped into the next in an intriguing maze that culminated in a look into my soul. Mind Surfing changed me! Robin Brown, B.Sc. (Chemical Engineer) Mind Surfing is a great mystery because it epitomizes the human mystery. I love the created world with all of its dual meanings, places and characters; they all feel so vibrant to the reader. I can hardly wait for the next instalment! I read this text over and over again and was enriched by each reading. Lisa Gross, BSN (Professional Nurse) Mind Surfing takes the reader on a journey through different levels of consciousness. The adrenaline rush I experienced throughout my reading of Mind Surfing kept me riveted to the book until the end. This book is the first of a long series of definite successes for Mr. Waugh.
