The ISIS insurgency group has been taking hostages in their holy war since April 2004. Since then, they have continuously in dramatic fashion captured over 200 hostages and thousands of Iraqi citizens in their area. Some of the hostages were either killed, rescued or freed. The outcome of the lives of the hostages are unpredictable but usually they are fatal. Since 2004, some of the captives were often filmed in captivity and many of them were also beheaded on film. Some, while not beheaded on film, their whereabouts cannot be found. There are various reasons they kidnap hostages which ranges from influencing foreign governments to make decisions, demanding ransom money or discouraging travel to their area.
