Nola Robertson, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Abducted by Klorthons, rescued by hunters. When Libby Evans is reunited with her best friend on the planet Tarron she thought she'd finally found freedom. The ruthless nephew of the Rivean Mining Corporation's powerful owner enacts a clause in the bride contract she thought had terminated with her husband's death. Willing or not, he's given her one week before he arrives to make her his wife. Determined not to spend the rest of her life in a marriage she doesn't want, Libby has no choice-she must find a Tarron male willing to claim her. Hard to do when the one man she'd gladly submit to is the hunter who wants nothing to do with her. After being rejected by the woman he believed to be his true mate, Erak Dakros has sworn never to let another female into his life, or near his heart. Protecting Libby until her return to Rivean should have been an easy assignment. He had no idea the beautiful human would tempt his animal nature, or unlock the desire hidden deep inside him.
