The first article in this book explains what it is and how it benefits you. Here is your opportunity to find out what it takes to be successful in your career, business, or personal endeavor. They don't teach this information in school and it would take years of work experience to learn what is explained in this book. It is a must read for leaders, managers, aspiring managers, students, and entrepreneurs. The six articles in this book assist you in comprehending the essence of managing in a clear and concise format. Because your time is valuable and to prevent you from being bogged down in minutia, no charts, graphs, or statistics are included with these articles. Each article succinctly presents useful information about a topic of managing. This is an easy read book providing a wealth of information at your fingertips. Do you know the difference between invention and innovation? The article about innovating in this book explains it, so you can apply it in your work. Another article discusses...
