By U S Agricultural Marketing Service

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Marketing Research Directory, Vol. 495: January 1963 Marketing Research in the Agricultural Marketing Service is directed toward increasing marketing efficiency by reducing product losses and costs through the development of practical answers to problems encountered in the handling, storage, and distribution of agricultural products from the farm through retail stores. Increased production and better utilization of farm products, technological advances in the marketing system, changing marketing and distribution patterns, shifts in population and industry, and waste and Spoilage in marketing channels call for reliable research results to make intelligent decisions in packing, storing, transporting, handling and grading, and selection of facilities, equipment, and work methods for the efficient marketing of agricultural products. Under the authority contained in the Agricultural Marketing Act of 1946, and other legislation, research methods are applied to the solution of marketing problems such as improving marketing practices; identifying, measuring and maintaining product quality; preventing losses from waste, spoilage and insect attack; and improving marketing equipment, facilities, and handling methods, thereby reducing costs. The research, involving active cooperation with the State Agricultural Experiment Stations, other Government agencies,...

### Reviews

*A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.*

-- Prof. London Gerlach

*This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).*

-- Imogene Bergstrom
