## WOO THE WOMAN, WIN THE MAN: DATING SUCCESS WITHOUT THE SILLY GAMES

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.ABOUT ME AND THIS GUIDE I am a SWF internationally published writer who holds two degrees, one in behavioral psychology, and I have volunteered as a relationship coach to women in need. That s not why I felt compelled to pen this guide. I feel I have relevant input and that many how-to books on dating miss the point and confuse the issue. This booklet strives to fulfil two purposes: To offer honest pointers for men, such as vital tips on grooming and foreplay; and also helpful insights for women as relate to the world of dating, based on personal experience, extensive research, and common sense. Topics addressed include: How can I score a date with a woman I like? How can I tell if a man is seriously into me? What can I do to improve my online dating success? What are the signs that a man is a loser? What do women secretly want? Will he call? Should a man always pay for dates? Should I go bare down there just because he wants me to? What if I can t perform on the night? Where is the best place to meet my future spouse? And more. The content of this guide is from the perspective of someone in the trenches and not on the benches, and so the information is real and raw, and not clothed in clinical psychobabble or in Agony Aunt platitudes. It is written in collaboration with several male friends, whose own input is frank and unbiased. I have a twenty-something son, two marriages and an engagement in the rearview mirror, and I ve been around the block so...
