*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).*

Cattle rustlers on the run, caught between a storm and someone bent on revenge. Cowboys pursued by the law and their own demons through a long night. A dive bar in the middle of nowhere hosts five criminals for a deal that goes terribly wrong. These and other stories explore the lives of those who populate the west. Homesteaders with mysterious pasts they'd prefer to keep hidden. Women wronged by the men they love and caught up in events beyond their control. There are killers, thieves, cops on the make, and people just trying to get through their days with their eyes On The Far Horizon. All of these characters, and many others, meet in this pulse-pounding collection that will keep you at edge of your seat.
