Ember, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From the #1 New York Times bestselling author of the Sisterhood of the Traveling Pants series, *The Here and Now* is an epic star-crossed romance about a girl who might be able to save the world . . . if she lets go of the one thing she's found to hold on to. Follow the rules. Remember what happened. Never fall in love. The world Preena James comes from is in ruins. She and the others who escaped are here to prevent humanity's destruction. But if they don't follow The Rules, everything that matters will be gone: Friends. Families. Dreams. Love. Ethan Jarves can never know Preena's secret. That she's not from another place. She's from another time. This gripping story is set in a world unlike any other and inhabited by beautifully imagined characters that stay with you long after the last page. - Sara Shepard, bestselling author of *Pretty Little Liars* An appealing romantic thriller . . . [also] a potent reminder that we inherit the future we buy with our actions today. --Cassandra Clare for the *New York Times Book Review* Fast-paced, gripping, and romantic. --Publishers Weekly Lightning-paced . . . like a cinematic blockbuster. --Kirkus Reviews *The Here and Now* could just as easily sit among the time-travel sci-fi, coming-of-age, or romantic thrillers of YA. Honestly, even though I really don't know how to categorize it, I loved it. --Happily Ever After/USA Today.
