HOW GOOGLE WORKS (HARDBACK)

Little, Brown Company, United States, 2014. Hardback. Condition: New. New. Language: English . Brand New Book. Seasoned Google execs Eric Schmidt and Jonathan Rosenberg provide an insider's guide to Google-from the business history and corporate strategy to developing a new management philosophy and creating a workplace culture where innovation and creativity thrive. Today, Google is a global icon that regularly pushes the boundaries of innovation in a variety of fields. How Google Works is an entertaining, page-turning primer containing lessons that Eric and Jonathan learned as they helped build the company. Covering topics including corporate culture, strategy, talent, decision-making, communication, innovation, and dealing with disruption, the authors illustrate management maxims (Consensus requires dissension, Exile knaves but fight for divas, Think 10X, not 10) with numerous insider anecdotes from Google's history, many of which are shared here for the first time. In an era when everything is speeding up, the best way for businesses to succeed is to attract smart-creative people and give them an environment where they can thrive at scale. How Google Works explains how to...
