Arcade Publishing, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A New York Times bestseller, the true story of a girl who learns she s descended from a princess, told with the suspense of a Cold War thriller. The beautiful owner of this book is dearer to me than my life - August your protector. This one sentence was the key to a mystery involving some of the greatest and most infamous figures in European history, from Frederick the Great to Napoleon and Hitler--and solved by the author of this book. Eve Haas is the daughter of a German Jewish family that took refuge in London after Hitler came to power. Following a terrifying air raid in the blitz, her father revealed the family secret, that her great-great grandmother Emilie was married to a Prussian prince. He then showed her the leather-bound notebook inscribed to Emilie by the prince. Later in life, when Eve was married and inherited the diary, she became obsessed with proving this birthright. The Secrets of the Notebook tells how she follows the clues, from experts on European royalty in London to archives in West Germany and then, under threat of being arrested as a spy by the Communist regime, to an archive in East Germany that had never before opened its doors to the West. What she unearths is a love story set against the upheaval of the Napoleonic wars and the anti-Semitism of the Prussian court, and a ruse that both protected Emilie s daughter and probably condemned her granddaughter--Eve s beloved grandmother, Anna--to death in the Nazi camps. A New York Times and international bestseller, The Secrets of the Notebook is now being made into a major motion picture. Skyhorse Publishing, as well as our Arcade imprint, are proud to...
