CAMPAIGNING FOR CLEAN AIR: STRATEGIES FOR NUCLEAR ADVOCACY (PAPERBACK)**DOWNLOAD**

Carnot Communications, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you are pro-nuclear, you have something important to add to the energy debate. You don't need to be silent! This book will help you make your voice heard. Nuclear power is the largest source of clean energy production in the United States and a major source world-wide. Advocates appreciate the importance of nuclear power for clean air and for our planet's future. In this book, award-winning author Meredith Angwin guides you in your advocacy: How you can support nuclear energy simply sitting at your computer. How to support nuclear energy in public, using the same techniques as professional speakers and communicators. How to speak at a public hearing or be invited to speak to a legislative committee. How to deal with your own emotions in a world saturated with anti-nuclear messages. How you can find other nuclear supporters and have fun together. Campaigning for Clean Air is a blueprint for nuclear advocacy. It features anecdotes, examples and insights from many people who actively support nuclear energy. It contains well-referenced facts about nuclear energy that you can use in your own statements. This book will inspire your work for a clean energy future.
