

## Esoteric Secrets of Surrealism: Origins, Magic, and Secret Societies (Paperback)

Filesize: 7.59 MB

### Reviews

*This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.*

**ESOTERIC SECRETS OF SURREALISM: ORIGINS, MAGIC, AND SECRET SOCIETIES (PAPERBACK)****DOWNLOAD**

Inner Traditions Bear and Company, United States, 2014. Paperback. Condition: New. Translation. Language: English . Brand New Book. A profound understanding of the surrealists connections with alchemists and secret societies and the hermetic aspirations revealed in their works - Explains how surrealist paintings and poems employed mythology, gnostic principles, tarot, voodoo, alchemy, and other hermetic sciences to seek out unexplored regions of the mind and recover lost psychic and magical powers - Provides many examples of esoteric influence in surrealism, such as how Picasso s *Les Femmes d'Alger* was originally titled *The Bath of the Philosophers* Not merely an artistic or literary movement as many believe, the surrealists rejected the labels of artist and author bestowed upon them by outsiders, accepting instead the titles of magician, alchemist, or--in the case of Leonora Carrington and Remedios Varo--witch. Their paintings, poems, and other works were created to seek out unexplored regions of the mind and recover lost psychic and magical powers. They used creative expression as the vehicle to attain what Andre Breton called the supreme point, the point at which all opposites cease to be perceived as contradictions. This supreme point is found at the heart of all esoteric doctrines, including the Great Work of alchemy, and enables communication with higher states of being. Drawing on an extensive range of writings by the surrealists and those in their circle of influence, Patrick Lepetit shows how the surrealists employed mythology, gnostic principles, tarot, voodoo, and alchemy not simply as reference points but as significant elements of their ongoing investigations into the fundamental nature of consciousness. He provides many specific examples of esoteric influence among the surrealists, such as how Picasso s famous *Les Femmes d'Alger* was originally titled *The Bath of the Philosophers*, how painter Victor Brauner drew from his father s...
