Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Garot M Conklin is a husband, father, engineer, musician, and poet on a journey through a life debilitated by congenital heart disease. Following two recent open heart surgeries, Poetic Rhetoric was born during recovery. It s a snapshot into the mindset of a tormented individual plagued by post traumatic depression, confrontation with his own mortality, generalized conscious inconsistencies and a lack of gratitude having survived this ordeal only to perpetuate the same mistakes. This is a very personal journey of the rantings, ramblings and stark truth through the eyes and soul of one man and his perpetual struggle from the gift of a second and third change at life.

Completely essential go through ebook. It can be writer in basic phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
