I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Publisher/Verlag: CARL LAEMMLE PRESS Laupheim | Affidavits Save Lives | Udo BayerLaemmle's ListCarl Laemmle's struggle for affidavits for Jewish refugees "I am doing what my heart dictates me to do and I do it unstintingly."first published in FILM HISTORY 4/1998 - Courtesy of S. Her research brought to light 45 documents consisting mostly ofLaemmle's correspondence with American officials from November 1936 until May 1939. Attimes the actual files were not available, only index cards with date and names of the personsconcerned; the actual files can be found in a branch of the Archives in Maryland. We could not determine the reason for the gaps in the material stored in the Archives.It is acknowledged that the persecution of Jews in the territories controlled by the Third Reichwas unique, and is hardly comparable to the many reasons for migration and asylum seekingtoday. The one and only reason for their persecution was their ethnic origin, and was completely unrelated to any of their actions; for them this reason was immutable. Emigration was thus their sole option to escape with their lives. In spite of increasing...
