When the Thorne family gather for the annual Christmas festivities - the arguments, jealousies and long-held enmities that make every family Christmas so special - they think they've only got to endure each other for three days, and then they can return to normality. But then the snows come, along with the ninety-mile-an-hour winds and the plunging temperatures, and the Thornes get cut of with only each other for support, or to blame. It promises to be a Christmas like no other. Here, get to know the family you're never going to forget.
