

## Nibiru: Rogue Planet (Paperback)

By Durwood White

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Dr. Randall Jenkins, astronomer at Stanford, discovers that NASA has concealed pictures of a rogue planet taken in 1983, kept from the public by reason of plausible deniability. Since he has worked on projects with President Winston Darcy, he tells him about the pictures. He is immediately dispatched to the New Zealand where a NASA astronomer had plotted the orbit of the planet, took pictures through a camera set up on New Zealand, gave the package to NASA. The package disappeared, and the astronomer died of cancer. A young astronomer living on the island tells Jenkins he has a copy of the package. When Jenkins asks for possession of the file, he warns him that he himself was shot without disclosing his possession of the file. After receiving the file Randall is accosted by a man who reluctantly gives him the name of the inside man in NASA. When the President Darcy sees the pictures, he immediately calls for the appearance of the NASA Administrator. When he fails to appear, he removes him from office and appoints the assistant administrator,...
