Relationship, MD, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Wish I Knew Before Loving You; The Relationship Manual This book covers all phases of a relationship. As mentioned in the title, it is a manual on how to initiate, maintain and in some cases, how to terminate a relationship that is not right for you. This instructional guide is broken down into five chapters. Chapter one Anatomy of a Relationship defines a healthy relationship by its ability to provide the encouragement to grow as a person, and how it allows you the space to feel happy and whole. This chapter also explores the six critical elements of a healthy relationship. It gives the reader a brief course in analytical theory, or how the mind works. The main divisions of the mind are conscious and subconscious, they both influence our decisions when choosing a mate. Chapter two Who Do You Love teaches us how to evaluate and investigate a potential mate, looking into their past life and help us make predictions of what type of person they will become in the future. It also gives helpful hints on how to build a template of key characteristics to look for to increase the chances of experiencing a happy, healthy relationship. Chapter Three, There will be Problems, is the longest chapter. It explores the differences in Men s brains and Women s brains and how these differences are translated into typical male and female thinking patterns. This chapter offers insights on how to use these differences as assets, rather than points of conflict. There is gender-specific advice on how to co-exist with members of the opposite sex. Chapter four, A Failure to Communicate is my personal favorite. Failure to communicate is essentially a failure at..
