Its development has been attended by all the excitement incident to mining camps and the usual camp followers. In every branch, production, transportation and manufacture, it has presented the great hazards that test brave hearts and mould strong characters. It has created a race of men capable of meeting any emergency and ready for any achievement. Inevitably the story of such an industry is romance. The term here does not denote fiction for the truth of petroleum and natural gas is more exciting than imaginary scenes. The aim in these pages has been to preserve the truth and not tell the tale without the intrusion of the dry detail of a statistical or technical work. There has been no attempt to paint the lily or to gild refined gold. There is so much rich material in the origin and growth of the petroleum industry that it is wholly unnecessary to draw on the imagination for color. This is not a history, because it omits minutiae inseparable from a continuous record. It is just the romance of petroleum and...
