

Dangerous Airwaves: Harold Camping Refuted Christ's Church Defended (Paperback)

By James White

Calvary Press, Div of Grace Reformed Baptist Church, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. Is God through with the church? Has Jesus Christ done away with the organized structure He created 2000 years ago and replaced it with unstructured fellowships that eliminate the need for elders and deacons? YES! That is . if you are to believe Harold Camping, best known as the voice of Family Radio, a worldwide gospel ministry. Many trusting Christians have come to take this man's biblical interpretations as virtually the very Word of God itself! James R. White, perhaps the most well-known Protestant apologist of our time, takes on Mr. Camping and his heretical biblical interpretations to show that, contrary to Mr. Camping's teachings, the Lord Jesus Christ loves His church - and that the church will endure on earth until that blessed day when He comes!.

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
