Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Introduction to Caesar Nearly everywhere in the South and in most schools of the North, Caesar is the first Latin author studied, and generally at the beginning of the second year in Latin. Efforts have been made to substitute second Latin books, Viri Romae, Nepos, and other less difficult texts, but in the majority of instances without much success. Parents, teachers, and colleges seem to unite in the demand that Caesar should be the first author read, and that we must find the shortest. road to this end; that we must train our boys and girls from the earliest possible moment to read, not second rate authors because of fewer difficulties presented, but Caesar, Cicero, and the other great masters of Roman literature. The idea has always been prevalent that Caesar is easy Latin, and this is true with regard to the greater part, written as it is in the clear, concise style of the famous warrior. There are passages, however, as difficult as any found in authors usually read at a later period, and, unfortunately for teacher and pupil, many of these occur near the beginning of the first book. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the...
