Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.IN the exercise of his high calling, the faithful ambassador of Christ must not scruple to declare the whole counsel of God- rightly dividing the word of truth, to all classes of hearers. He must warn the openly wicked man that if he persists in his evil courses, the just judgments of God will inevitably overtake him; he must unmask the hypocrite; he must utter no uncertain protest against the crooked and devious ways of the self-seeker and the time-server. But if he enters into the Spirit of his Master, no part of his public work will be more congenial or delightful than the proclamation of the full, free, and sovereign grace of God, manifested towards sinful men in the gift of His Eternal Son, to be the Saviour of the world. It has been my happy privilege in years past to tell out, as best I could, this wonderful story of redeeming grace. The following pages record the addresses I have given on the various aspects of this great subject.
