

## Flora of Nebraska, Vol. 1 (Classic Reprint)

By University of Nebraska Botanic Seminar

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Flora of Nebraska, Vol. 1 In the prospectus issued in December last a general statement was made of the plan and purpose of this work. As was there stated, the Seminar hopes to be able to put before the botanists of the state, in one work, a complete flora of Nebraska, and thus to enable them to do work that otherwise they could not do except by investing several hundred dollars in books, which even then would but imperfectly cover the field. The work is primarily intended for the people of the state, and for that reason the parts here presented do not pretend to be monographs of the groups dealt with and do not attempt exhaustive treatment. The method of dealing with the several groups will, however, vary more or less according to the tastes of the authors of the parts in which they are treated of. In cases where two consecutive parts dealing with related groups are ready for publication at about the same time, as in the present case, they will...

### Reviews

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*
