Norse Discoveries in America (Classic Reprint) (Paperback)

By Juul Dieserud

Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Norse Discoveries in America Discredited at the start, the Norse claim of the discovery of the American continent five centuries before Columbus has gradually gained a respectful hearing from American scholars, and to-day, nine hundred years after the interesting event, stands finally admitted in the opinion of those best qualified to judge the question. In preparing a commemorative essay on the subject it is therefore, fortunately, not necessary to enter into an elaborate defence of the correctness of the main features of the Icelandic sagas as handed down to us in several well-authenticated manuscripts from the 14th century, corroborated as they are by a number of striking references, dating back to the middle of the 11th, to the testimony of the cautious and entirely disinterested Adam of Bremen. The question now before the historian and antiquarian is not whether the hardy Norse sailors of the nth century reached the American continent after having established themselves in its antechamber - Greenland. The question is how far south they proceeded, and whether or not they established a permanent settlement in any of the..
