Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. When Silver Is For Secrets begins, Stacey Brown has just finished high school. Her past two years have been eventful and she has discovered that she has nightmares that could predict future events. Stacey is convinced of the seriousness of her nightmares when a young girl, about whom she had a horrible dream, is killed. She later saves her best friend Drea as she heeds the warnings from her dreams and decides to take action. In Silver is for Secrets, it is the summer break and Stacey's school days are over. So, she along with Drea, Chad, and Stacey's boyfriend Jacob decide to enjoy themselves at a beachside resort. When they reach the cottages, Stacey starts having her dreams again, this time about a girl she meets for the first time at the resort. But she does not find it easy to convince the flirtatious Clara of the danger she is in. Clara flirts with all the boys at the beach resort, even if they already have girlfriends. One day, she finds a threatening message spray painted on her wall, and begins to take things seriously. Stacey is determined to prevent whatever disaster is about to overtake Clara. She also has to deal with her own personal problems, for she finds that Jacob suddenly seems to be avoiding her and is refusing to tell her the reason. However, her nightmares fail to warn her of the terrible climax they are heading for, and the consequences of which will have a deep impact on Stacey's life forever. Printed Pages: 288.
