METROPOLIS

Dover Publications Inc., United States, 2015. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book. This city of the future encompasses two worlds: that of the hedonistic ruling class and that of a segregated subculture, toilers in a mechanized underworld who labor to provide the rich with their pleasures. When a charismatic leader arises, she seeks a savior to unite the disparate social orders. Between the brain that plans and the hands that build, she declares, there must be a mediator the heart. Thea von Harbou, creator of the screenplay for Fritz Lang s iconic 1927 film, wrote this novel to expand upon the movie s ideas and concepts. Vivid in description, rich in characterization and symbolism, the story draws upon ancient myths to form a compelling vision of the future. Noted science-fiction authority Forrest J. Ackerman hailed the book as a work of genius, and a century after its initial publication Metropolis continues to captivate readers.
