

Organized Crime: The Unvarnished Truth about Government (Paperback)

By Thomas J DiLorenzo

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. large type edition. Language: English . Brand New Book ***** Print on Demand *****. LARGE PRINT EDITION! More at . Politics and thieves, coercion and regulation, fascism and the Fed, centralization and liberty, workers and unions, trade and freedom, free-market achievements and government disasters in American history-this book covers it all! Organized Crime collection of essays in the tradition of Austrian political economy-a combination of applied economics and the study of governmental reality. Unlike mainstream economists who are content to spin mathematical model after mathematical model which explain little or nothing about the real world, DiLorenzo s focus has always been just the opposite-to use economic understanding to gain a better understanding of how the political-economic world works. Austrian economics is indispensable to succeed at this task. The book is divided into six sections: Coercion and Regulation analyzes various aspects of government regulation of business; Politics and Thieves is of course about the inherent nature of government; Centralization versus Liberty discusses the never-ending quest by statist to monopolize and centralize political power so as to isolate themselves as much as possible from public influence; Money and the State describes the...
