

Rising to Power: The Journey of Exceptional Executives (Hardback)

By Ron A. Carucci, Eric C. Hansen

Greenleaf Book Group LLC, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. As featured in the hit HBR Article A 10 Year Study Reveals What Great Executives Know and Do Rising to Power is a time tested, wisdom-packed guide for executives desiring to be exceptional leaders as they navigate their ascent to the highest levels of their organization. Nearly two-thirds of all leaders entering executive roles lack sufficient understanding of what is required and are unprepared for what they will face, which explains why 50 percent of them fail within the first eighteen months. For decades we have known that failure rates among transitioning executives are too high, causing exorbitant costs, damaged organizations, and stalled careers. Still, little has changed in the way organizations prepare leaders to assume executive positions. Three-fourths of new executives say their organization did not adequately prepare them for the executive office. It doesn't have to be this way. If you are an executive or you're aspiring to be one and considering how you will navigate the ascent in your organization, Rising to Power will serve you like no other resource can. Odds are high you have watched a promising executive fail...

Reviews

This is the finest publication we have read through right up until now. Better than never, though I am quite late in starting to read this one. It's been written in a remarkably easy way in fact it is only after I finished reading through this book that I basically altered me, affected the way I think.
