

Wolf Journal A Study Guide

By -

Virtualbookworm.com Publishing. Paperback. Condition: New. 60 pages. Dimensions: 10.8in. x 8.1in. x 0.5in. This study guide is the academic companion to Brian Connolly's Wolf Journal. Set in the Allegheny Mountains of northern Pennsylvania, farm boy Jimmy Warren finds wolf tracks in the snow - even though no wolves have been in these woods for a hundred years. The tracks lead him deeper into his passion for nature guided by Hawk, an old Susquehannock storyteller. Along the way, Jimmy falls in love with the beautiful Sherry Woolman who shares his love of the wild. As a school project, Jimmy keeps a journal on wolves. In order to protect the wolf he discovered, Jimmy writes about him as if he is fiction. The Tanner brothers, a derelict pair of would-be bounty hunters, threaten to destroy the perfect balance of nature that Jimmy has found. Wolf Journal is a journey into the natural world where intricate details, like the imprint of a wing in snow, tell a larger story - one of endangered species, an endangered planet, and the human spirit that strives to understand and protect. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
