Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Why I Love My Mamie by: Keenan Reynolds The story behind how this special book came to be. Keenan had been asking for months to stay up all night. It was agreed that he could do anything he wanted, except watch TV or play on the iPad. He asked his Papai to stay up with him but was told it was his night by himself. When everyone else went to bed his Papai asked him to keep the volume down on the piano. We all went to sleep and the next thing I knew Keenan was pulling on my arm, saying, - Come here, Papai. - He was so excited and said, - I want to show you what I did.- When we walked into the living room, there it was. A book, written by Keenan. He said to me, with a big proud smile, - I want you to read the sticker on the last page.- (I did a lot of pages on the book at night) Keenan then walked away and crawled into bed for a much deserved sleep!.
