Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Why I wrote this book: I was sick and tired of my life, my business, my girlfriend, and I was in a business where a business partner told me lies all day, so I did the same to him. I needed to get my life together. I needed something to motivate me. More specifically, I needed something to move me from this stuck place I was in. One question changed my life. WHAT IF PROBLEMS WERE ALWAYS GIFTS? What if. What if every single problem really was a gift in your life? What if every problem you ve ever had was life happening for you, not to you? What if everything in our lives is guided? What if everything in our lives was Devine timing? Everything? Even the pain. When you are in the darkest place. When you feel like all is lost. When you think there is no way to turn it around. Victory is near. This book and your 30- Day Challenge will help reprogram the fundamental way you approach life, and the MEANING that you attribute to events. Let it change and improve you. There s nothing keeping you from enjoying a full, active and happy life! Yesterday is history. Tomorrow is a mystery. Today is a gift. I have been fortunate to see Trevor inspire audiences with winning strategies for growing their lives, businesses and careers. Trevor cares deeply about teaching his clients how to create results and revenue quickly.
