I, NEMO (PAPERBACK)

Argo-Navis US, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What if the Nautilus and its famous captain wasn't fiction? Jonathan de Chevalier Mason has it all: A promising career designing warships for Her Majesty's Navy, a beautiful well-born wife and two children. Two of his new ironclads are sending shockwaves rippling through the navies of the British Empire's European and American rivals. But Jonathan has designed another ship—a revolutionary warship so terrible that whoever possesses it will be master of the seas. And no one wants it more than the very people Jonathan works for—the British Government. But for reasons of his own, Jonathan has no intention of ever allowing his creation to see the light of day. One gray winter morning he is arrested on a bogus charge of treason, tried and convicted in a secret court, and then packed off to a remote penal island to toil ceaselessly in its steaming jungle swamps. Then fortune smiles on Jonathan when he encounters an elderly priest and his little band of followers. Together the two men hatch a plot to escape and forever be free of the tyrannical governments that unjustly imprisoned them. But Jonathan has a score to settle and soon his betrayers will feel his wrath. Paying homage to Alexandre Dumas, Herman Melville, and, of course, Jules Verne, *I, Nemo* is a high seas, high stakes adventure that will leave you wanting more! J. Dharma Windham has been shaking things up with his science fiction offerings since 2005. He and his chosen genre go all the way back to his flashlight under the blanket-on-school-night days. He's come up in the world since then. Now he reads novels on an e-book while sipping a redeye...
