

The Transformation of a Planet (Paperback)

By Bobby Wallis

Trafford Publishing, Canada, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Transformation of a Planet is a book for those who want to learn more about what the immediate future holds for planet Earth and her inhabitants. There is bad news and there is good news. The bad news is that dark forces are controlling you with fear and deception, and their plans for Earth s population are not pretty. The good news is that their game of oppression is coming to an end, so that a much more rewarding game can begin, as has been foretold by many prophets. This is the time of the Great Awakening. People all over the world are waking up to the fact that all of Earth is about to experience an unprecedented transformation. The evidence is everywhere. But those who currently have all the power are doing everything they can to keep you from seeing it. In The Transformation of a Planet you will learn what those power groups don t want you to know about their hidden agenda, the coming earth changes, Planet X, and the pole shift. And you will meet the Creator s...
